Robert "Bob" Henry Ayotte was born on March 29, 1929 to Pastor William and Leita Ayotte. The fourth of eight children, he grew up in Duluth, Minnesota and Marion, South Dakota, graduating from Marion High School in 1947. After graduation, he worked as a harvester in Texas fields. Later that year, he joined the Marines, where he served in the data processing field and helped pioneer the entrance of computer technology into the US military.

While in the military, he married a Lady Marine, Mary Gaffney in 1954. They had five sons: Brent, Don, Bill, Ralph, and David. He retired from the Marine Corps in 1968 and moved his family to Riverside, CA, taking a job with IBM. His wife Mary died of cancer in October 1971. Shortly before her death, Bob left IBM to manage the information systems department at Pacific Forge in Fontana, CA.

He married Charlene Young in March 1974, adding Ron and Mary Ellen Young to the family. His great passions were family and church. Always active in church, he and Charlene enjoyed working with the

youth group, especially in missions work. Because of his love for family ties, Bob considered it vital for him and his family to participate in family reunions involving his brothers and sisters, along with their children and grandchildren, which took place in various locations throughout the United States. In 1978, Bob and Charlene, with sons Ralph and David, moved to Cherry Valley, CA to manage mobile home parks. Two years later, the family moved to San Antonio, TX, still managing mobile home communities. Upon retirement in 1983, he and Charlene moved to Caldwell, ID. They became very active in the Oregon Trail Church of God, serving on various boards, and involving themselves in other ministries such as S.P.O.T. (Senior Pioneers of Oregon Trail), the Annual BBQ and Auction, and Sunday School.

Bob volunteered over 3000 hours at a local hospital and hospice, was a VISTA literacy program volunteer in three counties, and also volunteered with Four Rivers Cultural Center. Along with his great loves of family and church, he enjoyed traveling, especially driving.

He is survived by his wife Charlene; three sisters, Lois, Marjorie, and Leonora; a brother, William; his seven children; 15 grandchildren; and five great-grandchildren.

Earle F. Brewer, 83, Sand Hollow, died Wednesday, April 8, 2009, at a local care center.

A memorial service will be held at 10:30 a.m. Saturday, April 11, at Flahiff Funeral Chapel in Caldwell.

Earle was born in Yuba City, Calif., on Sept. 13, 1925. He spent his early childhood years in the mountains of Placerville, Calif. As a young teenager, he went to work for Archie Jessee on a dairy farm in Florin, Calif., where he met his lifelong love, Pearl Jessee.

He served in the Navy during WW II. He enlisted at the age of 18, serving as a cook aboard an LST in the South Pacific and was discharged in April 1946, at which time he married his childhood sweetheart, Pearl.

Earle and Pearl moved with their firstborn, Vernon, to Nampa, Idaho, in 1947, where he attended NNC until the spring of 1951. The family, now joined by siblings Bonnie, Carol and Cheryl, moved to Roseville, Calif., where he worked as a civilian mechanic for McClellan AFB.

In the early '50s Earle and Pearl started a new Church of the Nazarene in Vallejo, Calif.

During each of his pastorates, Earle worked as a heavy-equipment operator to help support the family and his ministry. He pastored in Vallejo, Orange Cove, and Orange Vale, Calif., while raising his four children. His last pastorate was in Nome, AK, 1984-1987.

In 1965, Earle moved his family to Caldwell to begin his last great adventure. The homestead in Sand Hollow has seen him running a dairy, a cow-and-calf operation, raising sheep and seed corn. Dad was famous for digging up the seeds each day to see whether they had sprouted! It was here he made lifelong friendships with the neighbors and gathered each morning to recount the adventures and challenges of farming along with the others who shared a love for raising their crops and their families.

Earle was passionate about serving God in the work of the Church and in sharing his testimony, recounting all the ways he had been blessed. He loved to sing the old hymns while he worked on tractors, changed the water, or while feeding the cows and calves. His family always knew where to find him, by listening for his whistling or his voice raised in song. He never believed in doing things half-heartedly, but he lived his life full of vigor and passion for God and his family.

One of Earle's greatest joys was spending time with his family.

He was preceded in death by both parents and his four brothers.

He is survived by his sister, Doris, wife and sweetheart, Pearl, and his son and wife, Vernon and Anita, and his three daughters and their husbands: Bonnie and Allen Emery, Carol and Sheldon Morgan, and Cheryl and Neil Colby, his wonderful grandchildren and spouses, Lori Colby, Rodney and Sarah Emery, Joshua and Yadira Colby, Travis Emery and fiancé Kaycee Murray, Todd Morgan, Casey Brewer, Nolan and Lyndsay Brewer, Tyler and Whitney Morgan, Keith and Kimberly Brewer, and three great-grandchildren, Hailey Morgan, Faith Morgan, and Thomas Morgan.

In lieu of flowers, the family request that donations be made to the Middleton Church of the Nazarene, in Earle's name. The address is Middleton Church of the Nazarene, PO Box 219, Middleton, ID 83644.

John A. Campbell was born March 23, 1918, in Sheridan, Mo., the sixth child of Marion A. and Nona M. Campbell. Johnnie is survived by his seven children, Barbara, Jackie, Jerry and Richard Hagler as well as his youngest, Steven, Paul and Carol Campbell and his numerous grandchildren and great-grandchildren.

Marion and Nona brought their 10 children from Missouri to settle in Middleton, when Johnnie was 9 years old. He lived at home until he graduated from Middleton High School in 1935, with a football scholarship. Johnnie played as a defensive end for the Boise Junior College Broncos, now known as Boise State University Broncos.

He was a radar operator stationed in Borneo and the Philippines during World War II from 1941 until the end of the war in 1945. He returned to his hometown of Middleton where he later met and married Anna May Hagler in February of 1951. For 20 years Johnnie worked as a freezer foreman for the J.R. Simplot Co. When Johnnie wasn't working, he was tending his small farm outside Notus or teaching his children how to hunt and fish or possibly yelling at them to "get the \_\_\_\_ out of the way," so he could land the big one. Johnnie's son Paul, his hunting buddy, remembers when they came face to face with a big black bear. Paul fired two shots off before Johnnie yelled at him, "Lay down that .06 and grab the .243. Johnnie's son Richard says, "After God made Big John, he broke the mold."

To his daughter Carol, all of us who knew and loved him dearly, would like to say thank you for your gift

of time, because of you we were able to spend more precious time with him. We now know angels really do exist on this earth, because you are here.

Johnnie was known best for his storytelling, all of which were true life experiences. As his niece, I can remember many such tales, as can his children, grandchildren and many of his great-grandchildren. Johnnie will live in our memories forever as these stories are passed down from generation to generation. To those of us who were privileged to hear them first hand, we would like to say, "Thank you, Dad, Grandpa, Great-grandpa and Uncle for the memories."

Because it was his wish to be cremated and his ashes scattered in the Owyhee Mountains, all of Johnnie's friends and family will gather at the Middleton Center Park at 1 p.m. Thursday, Sept. 13. We will have a potluck lunch and exchange memories. Please come and join us.

Graveside services for Wayne L. Capson, 55, of Garden Grove, Calif., who died Tuesday, Feb. 9, 1988, at a Long Beach, Calif., hospital will be held at 3 p.m. Friday, Feb. 12, at the Middleton Cemetery under the direction of Dakan Funeral Chapel, Caldwell.

---

Wayne Capson, 55, of Garden Grove, Calif., died Tuesday, Feb. 9, 1988, at a Long Beach, Calif., hospital.

Mr. Capson was born February, 27, 1932, and served his country in the United States Marine Corps in Korea where his combat wounds caused him to be a paraplegic.

He was a devoted leader of the California Paralyzed Veterans Association, a member of the Paralyzed Veterans of America, Inc., Mr. Capson helped that organization further the needs of the veteran, and his or her dependents, and all catastrophically disabled by serving as National President from 1968 through 1970, as California Chapter President from 1965 through 1968 and 1973 through 1975, and as a National Service Officer from July 1978 to February 1988.

He is survived by his wife of 34 years, Jaunita Capson.

---

If the measure of a man's immortality is related to the good he does in serving his fellow man, then Wayne Capson's spirit will live on among those who knew and were influenced by his life forever. This gentle, kind, dedicated and good man achieved greatness in his help to others, especially those who shared disabilities similar to his own.

In 1953 he was married to Juanita, a quadriplegic veteran whom he had met in the hospital. Thus began a remarkable marriage and partnership that strengthened them both and encouraged their personal growth and determination to be of service to others.

The next decade was spent in an increasingly active social life and public service through various organizations. Wayne found an outlet for his deep need to serve others through the PVA. This work and his unassuming leadership abilities led him naturally into the National PVA affairs and in 1968 he began a two year term as National President of PVA.

That was a time of maturing for the national organization and established a foundation for its subsequent growth and extended programs which became possible to a large extent based on the dreams and goals instilled in the organization by President Capson.

He was recognized with National PVA's highest honor, the widely respected 'Speedy' award for distinguished contributions.

Having completed his service to National PVA, Wayne once again turned his talents towards serving the California Chapter. Later, Wayne turned his sights on the National Service Officer program and became one of their senior and most respected Service Officers. He was acquainted with the legislation, the VA

rules and regulations, the human needs and the society's intended provisions for disabled veterans. This knowledge, combined with his lifelong need to be of service to others led him to become a most dedicated Service Officer. His own time was greatly sacrificed to this service: he worked long hours, gave remarkable attention to details, gladly served anyone who called upon him for help regardless of their VA status or type of disability, but more, he was interested in people and his interest always was sincere and profound.

Some years ago I had occasion to spend an extended period in the hospital, and regularly my dear friend would show up in the evening to visit at 7:00 or 8:00 pm, although he may have been up since 4:00 am and at work since 8:00 am. He always remained cheerful, concerned, interested, helpful and ready for a good visit regardless of the stress upon him. His devoted wife and companion was glad to make the sacrifice of their time together in order that he might fulfill his call to service.

Wayne's death is a loss we all feel acutely, but we must take comfort in the privilege of having known and shared a part of our lives with this gentle, humanitarian man, and in the memory of his quiet sense of humor, his great devotion to his fellow man and the example of a truly caring person. He will live in our hearts as long as they beat and in our spirits forever.

## Finch, Donald Wade "Don"

Birth: Nov. 29, 1938  
Fairfield  
Camas County  
Idaho, USA

Death: Apr. 28, 2013

Burial:  
[Middleton Cemetery](#)  
Middleton  
Canyon County  
Idaho, USA

Donald Wade Finch, was born in Fairfield, ID to Grant and Marie Cox Finch on November 29, 1938 and died at St Luke's Medical Center, Meridian on Sunday, April 28, 2013 of natural causes.

A long-time resident of Middleton, he was a dedicated husband, father, grandfather, and friend. Don was known for his memorable good humor, whimsical sense of fun, and generous spirit of acceptance and hospitality to his wide circle of family and friends.

Don started school in Manard, ID and graduated from Springfield (Oregon) High School in 1957, one of a very special circle of friends.

Returning to Idaho in 1959, he met Laurel Wallace and they were married in Middleton Methodist Church on August 19, 1961, where they attended for many years. They had a fun, busy marriage of 51 years, enjoying so much time together.

After Don's basic training in the National Guard, they lived in Springfield where he was employed at H.G. Chickering Mapping. In 1970 Don accepted a job at Aerial Mapping in Boise. They relocated to Middleton to raise their family; Deborah and Cynthia, born in 1963 and 1965 in Springfield, soon followed by Doyle in 1970 in Caldwell.

In 1975 Don opened a photo lab, Photo Map Services, later to become Idaho Repro-Graphics, the pre-eminent aerial mapping business in the Treasure Valley.

His passion revolved around family as he and Laurel enjoyed camping and other outdoor activities. They helped establish the Middleton Easter Egg Hunt and the annual corn dog concession stand at 4th of July events, which continues at their home to this day.

Don was enormously proud of his children and grandchildren and was a clever, funny, light-hearted and loving grandfather. He believed in building character in the kids, and that usually involved helping in the summer. Retiring in 2000, Don was an inspired artist and internet entrepreneur, haunting auctions in search of resalable items and material for his projects, most notably his imaginative bird houses and metal sculptures of birds and flowers. With an irrepressible sense of fun and humor, Don always brought

a humorous presence to the family and friends he delighted in.

Don was preceded in death by his parents and his brother Larry, and his in-laws, Bet and Thelma Wallace.

He is survived by his wife, Laurel; daughter, Debi (Steve) Maughan, of Caldwell, their son and daughter-in-law Theo and Mercades, and daughter Zoë; daughter Cindy (David) Crooke of Nampa and their daughters Jenae and Madison, and son Spencer, and son Doyle (LaNae) Finch of Sand Hollow and their sons Evan and Jake and daughters Jaycee, Alli, and Grace. He is also survived by four special sets of brothers and sisters-in-law and their families, as well as extended family members Travis Cheryl, Blaine and Kati Sterling, and many, many honorary kids and grandkids.

There will be a celebration of Don's life—the party, rather than funeral, that he always insisted on—at 2 pm on Saturday, May 4 at the family home in Middleton. All are welcome.

The family wishes to thank Middleton EMTs, West Valley Medical Center, St Luke's Meridian for the special care and support they provided Don AND his family. Final arrangements provided by Flahiff Funeral Chapel.

In lieu of flowers, the family would suggest contributions in his honor to a favorite charity, Ronald McDonald House.

Steve Howard Gummersall, 66, of Middleton, our beloved father, grandpa, great-grandpa and husband of his eternal sweetheart Linda, was born on May 3, 1947 in Soda Springs, Idaho. He passed into the eternities as he wanted with the morning star, the rising sun and most importantly, with his beloved Linda by his side on the morning of August 4, 2013. He was blessed to be surrounded by a loving family and friends as he fought a rare lung disease for the last ten years that resulted in a double lung transplant on 11/11/2011.

Steve was the eldest of three children born to Don and Dorothy Gummersall. He was raised in Boise where he had many friends who shared in his often hair-raising escapades. He attended Roosevelt Elementary School, Boise High and later graduated from BSU.

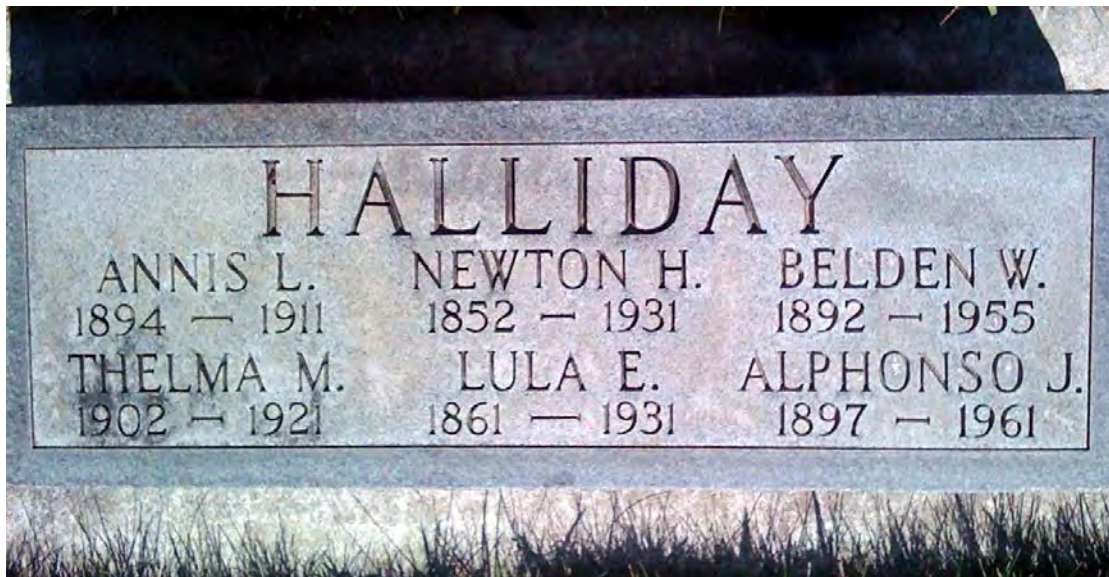

Steve was a faithful member of the Church of Jesus Christ of Latter-day Saints and served a mission in the Eastern Atlantic States where he met his beloved Linda. They were married in the Idaho Falls Temple in August 1968, and were rarely apart from that day on. Children: Shannon, Cher and David became the light of their lives, followed by grandchildren: Corbin, Devin, Harold, Bryce, Addison, Quintin, David and great-granddaughter, Emilie.

Steve served in many church callings, but the one dearest to his heart was working with his Boy Scouts, where he mentored many young men in becoming Eagle Scouts and was awarded the Silver Beaver Award for distinguished service to youth. He served in the Idaho Air National Guard for almost 26 years and attained the rank of Master Sergeant.

In 1973, he moved his little family to Middleton where he made many friends with his off-the-wall quips and corny jokes. He wore many hats as he worked for Canyon Co. Sheriff's Dept., Middleton School Dist. and Intermountain Gas Company. He will be remembered for his never-wavering faith and courage through his struggle to beat this lung disease. Never once did he complain or question, "why?".

#### A SAD ACCIDENT.

News of a very sad death comes to us from Middleton. An old and respected citizen has gone his long home. Mr. Andrew Hammack, aged 75 years, saddled his horse to go on an errand, and attempted to mount. He had a bucket hanging on his arm, at which the horse took fright and shied. Mr. Hammack had his foot in the stirrup and when the horse jumped the saddle turned, throwing him backward. His head struck on a log, inflicting a wound from which he never regained consciousness. The deceased leaves a widow 86 years old, and, we believe, some married children. He was an old union soldier and went clear through the war of the rebellion. Members of Hugh Wilson Post, of this city, went to Middleton last Wednesday and assisted in the interment of their old comrade. Much sympathy is expressed for the bereaved relatives.

Andrew Hammock was born in Granger county, Tennessee, January 25, 1818. At an early age he went from Tennessee to Indiana where he married Sarah McPheters, February 8, 1844. Afterwards they moved to Missouri where he enlisted in the civil war, 1861. They came to Idaho in 1879. The deceased leaves a wife, two daughters and several grand-children to mourn his loss. He was a member of the G. A. R. and had been a member of the Baptist church for sixty years. Funeral services were conducted by Moses Fowler.

Burial:

[Middleton Cemetery](#)

Middleton

Canyon County

Idaho, USA

Wayne Allen Henderson passed away peacefully the beautiful morning of April 18, 2016 at his Meridian home with his wife Shirley by his side. Wayne was born April 10, 1932 in Glens Ferry, Idaho, the first born of Dallas E. and Iona E. (Allen) Henderson. Although there were many opportunities to work hard, Wayne enjoyed an idyllic childhood spending endless hours playing and roaming with cousins and uncles who were close in age.

His father's railroad job brought the family to Nampa where Wayne graduated from Nampa High School and participated in football and basketball. He was a member of the 1950 State Championship basketball team, which was also undefeated in the season. It was a favorite high school memory. In 1951, Wayne proudly joined the Marines and served in Korean War where he made some lifetime buddies. Wayne met the love of his life and his bride for eternity at a softball game. He married Shirley Mae Russell on May 26, 1954 in the Salt Lake LDS Temple. Their first home was in Caldwell, ID where they had their first 2 daughters, Shirlyne and Susan. Following a move to Burley, ID, they were blessed with the arrival of a daughter, Tamara, and a son, Michael. In 1968, Belden Sherman, at age 8, joined the family and was adopted by love. Belden brought a rich Native American culture to the family.

Wayne worked for many years in the car business. He was a natural salesman. He won many awards and vacations for being a top salesman. He loved hunting, fishing and any sport that involved a ball. He worked many nights officiating baseball, basketball and football games. Wayne gravitated from officiating games to being a spectator at high school and grandchildren's ballgames. He especially loved watching Rocky Mountain high school games and his many buds in the Meridian area. It became his retirement passion. He was a fixture at both girls and boys state high school championship games. Thank you to his family and many friends who so generously gave of their time to take him to the games. You gave him such joy during a difficult time of life.

Wayne was a promoter of people, especially young people. He enjoyed supporting them and seeing them succeed in life. He "never met a stranger," so therefore he had friends where ever he went. Wayne and Shirley had an annual tradition of vacationing in Western Montana, close to the Madison River. After several years with other couples, it became a family tradition. It was a highlight of Wayne's year. For Wayne, the more kids, grandkids and great-grandchildren that were able to come—the better! Wayne was affectionately nick named by his grandchildren as "Wayner." He knew he was loved and adored by his grandchildren and great-grands which brought him great joy. He was blessed to have a wife who loved and cared for him after he received a diagnosis of dementia. Wayne was a great example of enduring to the end with a happy and full heart.

Wayne had faith in God's plan and the redeeming power of Jesus Christ. He was an active member of The Church of Jesus of Latter-day Saints. His favorite calling was serving with young men.

Wayne was preceded in death by his parents; his siblings, Maxine Little and Doug Henderson; a son, Belden Sherman, Sr.; grandsons, Tyler Wayne Henderson—his name sake and Cody Hayes; granddaughters, Jessica Henderson and Katie Kotter. He is survived by his wife, Shirley; daughters: Shirlayne (Ernie) Corder, Sue (Doug) Hayes, Tammy (Mike) Greiner; and son, Mike; 15 living grandchildren, 25 great-grandchildren; numerous nieces and nephews whom he adored; and several cousins and many dear friends.

Funeral Services will be held at 3:00 p.m. Saturday, April 23 at the Baldwin Park Ward LDS Chapel, 4505 N. Linder Rd in Meridian. A viewing will be held at the church Friday, April 22 from 6:30 to 8:00 p.m. and again at the church, Saturday from 2:00 to 2:45 p.m. prior to the services. Arrangements are under the direction of Zeyer Funeral Chapel, Nampa. 467-7300. Condolences may be expressed at [zeyerfuneralchapel.com](http://zeyerfuneralchapel.com).

Frank Leon McKeever, 81, of Middleton, died on Friday, April 15, 2016 at home of natural causes. Viewing will be held at LDS Stake Center, 23430 Old Hwy 30, Caldwell, ID from 9:30-1045 AM. Funeral service will begin at 11:00 AM at the Church. Burial will follow at Middleton Cemetery, Middleton. Services are under care of Flahiff Funeral Chapel, Caldwell.

-----

Frank L McKeever was born in Rockwood, Pennsylvania, on November 23, 1934, to Charles G McKeever and Mary Etta Sechler. He attended school in Carmichaels and Perryopolis, Pennsylvania. He played football in high school and was an outstanding running back his senior year. His dad was a heavy equipment operator and Frank worked with him as an oiler during school breaks.

Frank enlisted in the Air Force in 1954 and was stationed at Mountain Home Air Force base. He attained the rank of staff sergeant on a crew that worked on a B-47 bomber. Every month he had to put in a certain number of hours of flying time. The only place they had for him to sit was down in the nose. The only way out was through a hatch in the bottom ahead of the propellers. While in the military, he met his future wife, Celia Mallard. They married in Meridian, Idaho, in 1956. In 1957, the young couple gave birth to their only child, Kathy, at the base hospital, costing them \$25.

After his honorable discharge, Frank and Celia traveled to Alaska for several months where he found construction work with his brother-in-law, Lou Mallard, and his father-in-law, Luke Mallard. They saved up a \$1,000 nest egg, and Frank and his family returned to Pennsylvania. He worked as an oiler again and after employers saw what he could do, it wasn't long before he was given the opportunity to work

as an operator. He worked at the Homestead Steel Mill and became an expert with cranes. He joined the International Union of Operating Engineers (Local 66) and was a life-long member. He was an instructor for the union apprenticeship program.

While living in Pennsylvania, Frank was baptized a member of the Church of Jesus Christ of Latter-day Saints. In 1976, Frank and Celia moved to Idaho and that same year, they were sealed for time and eternity in the LDS Temple in Salt Lake City. He served in many church callings over the years. They took up residence in Middleton, Idaho. He was asked by the AFL-CIO to run for a state house seat. While his bid was unsuccessful, it whetted his appetite for politics, and he was later elected Mayor of Middleton. Frank loved sports and supported the Middleton teams, especially Lady Vikes fast pitch softball or any team that involved his grandchildren. Coming from Pennsylvania, he was also a life-long fan of the Pittsburgh Steelers and Pittsburgh Pirates.

Frank was a great hunter and fisherman, and he loved the outdoors. When he was out in the wilderness, he was in his element. He was a crack shot and his home is filled with mementos of his hunts.

He is survived by his wife Celia Mallard McKeever, his daughter Kathleen McKeever, his grandchildren Leah Kisner Cahoon (Nate), Andrea Havery (Don), Melanie McKeever, and Josh McKeever (Aimee), as well as twelve great-grandchildren and his beloved Brittany spaniel, Benny.

Burial:

Middleton

Canyon County

Idaho, USA

Jack Vernon Mills, 90, passed into the next life in the evening of December 6, 2015. He died at his son's home, (Kim and Kathy Mills) where he resided for the past five plus years.

Jack was born to Vernon and Alice Mills on July 13, 1925. He celebrated his 90th birthday last July. He was born and raised in the Park City, Utah area. He worked on his father and uncle's dairy, milking, haying and delivering milk for the dairy. While delivering milk to the Park City Hospital he met Carol Alma Ward. They were soon engaged and after being drafted into the army they were married on one of his first leaves, on November 7, 1945. While in the service he did many different things but the highlight was guarding President Truman in San Francisco while the President was attending the League of Nations Summit. They welcomed their sons Bruce in 1946 and Alan in 1947. They were both born in the Park City Hospital where Carol worked. They moved to Bellvue, Washington soon after so Jack could attend school to become a chiropractor. He attended Restview College and received his license to practice. While in Washington, Kim, Peggy and Paul joined the family. Jack moved the family to Sebastopol, California in 1962 and then to Middleton, Idaho in 1967. Jack was aptly named as he enjoyed working in many areas. They are too numerous to mention but he always wanted to learn and do more.

Jack held several positions in The Church of Jesus Christ of Latter-day Saints, including seminary teacher, ward clerk, Sunday school teacher and High Councilor.

Jack had many friends and many interests. Some of his favorite times were spent hunting deep in the Selway/Bitterroot Mountains. He was a good shot and always carried his share of the load or more. He played basketball in school, was a good skater and skier and even tried ski jumping.

Carol passed away in 1986 and Jack remarried in 1988 to Eleanor Johnson. Jack is survived by his five children: Bruce and Debbie Mills of Idaho Falls, Alan and Melanie Mills of Middleton, Kim and Kathy Mills of Middleton, Peggy Mills Dryer of Middleton and Paul Mills of Brookings, Oregon. Jack was preceded in death by his parents; his wives; his two sisters Alice Jean and LaRae and one great-grandchild.

## Montgomery, David Richard

Birth: Apr. 29, 1947

Death: Jan. 7, 2007

Inscription: US NAVY

Burial:

[Middleton Cemetery](#)

Middleton

Canyon County

Idaho, USA

David Richard Montgomery, 59, of Caldwell, died Sunday, Jan. 7, 2006 at a Boise hospital of natural causes. Funeral services will be held at 2 p.m. Thursday, Jan. 11, 2006 at Boone Memorial Presbyterian Church, 14th Ave. & Dearborn St., Caldwell, with Rev. Aaron Beaty officiating. Burial will follow at the Middleton Cemetery. Services are under the direction of Dakan Funeral Chapel, Caldwell. Condolences may be sent to the family at [www.dakanfuneralchapel.com](http://www.dakanfuneralchapel.com).

David was born April 29, 1947 at Nampa, Idaho to John W. and Nora Stewart Montgomery. David entered the U.S. Navy after graduating from Vallivue High School. He was a sonarman while in the Navy and was stationed in San Diego. It was there that he met Kathy Galitza, and they married in October of 1969 and to this union a son, Jason, was born.

David started a successful swimming pool cleaning business, Diamond Pools, in the Palo Alto, Calif. area during that time. David's heart was in Idaho, and they moved back to Caldwell for a time and then to Twin Falls and Boise. During this time David sold insurance for Prudential for many years. Again, he was successful at this endeavor.

David and Kathy were later divorced.

After leaving Prudential Dave worked for many years for Dick and Tom Matsumoto on the old family homestead east of Caldwell on KCID Road. After leaving the homestead, Dave started to work for Tom

Scott Honda. He loved his job. He loved being honest with his customers and making new friends; He took much pride in always saying he wanted the buying of a car to be a “fun and pleasurable experience,” and he indeed did that. David had many clients who just wouldn’t buy from or deal with anyone else but him, and they would come back year after year. Dick Scott said, “He is one of the best car salesman he has ever seen.”

In 1984 he was reacquainted with an old high school friend, Susan Petzoldt, and together they became a family; Dave, Sue, Jason, Kristie, Jon and Julie. Dave and Sue were married on May 21, 1999 in Lake Tahoe, Nev.

David was a genuinely loving and kind individual and an amazing man. He was funny, kind hearted, sincere, and loved golf and his grandkids. He cared very much for his family, friends and co-workers. He was an avid golfer and enjoyed golfing with his family and friends, especially looking forward to two special yearly events; one was a local spring tournament with his son Jason, and the other, a 4th of July outing with his sons-in-law and grandsons.

He enjoyed watching his grandkids and their sports activities to cheer them on. Papa tried very hard to make every game! Even if he was not there, his grandkids knew that he was there in spirit and he would be the first to call after the game, or early the next morning to see how they did.

Dave/Dad/Papa was very special to us. Once in a lifetime you are blessed with someone like Dave and we were very lucky to be the ones to have him. He will be deeply missed and will always be loved. We love you, Your Family!

David is survived by: his wife, Sue; his children, Jason, Kristie, Julie and Jon; his sons-in-law, Vince Deleon and Drew Black; his grandchildren, Vanessa, Andrew, Carson, Vincie, Gabby, Nick, Enrique, Madison, Adrienne and Cheyanne; his brother, John Montgomery and sister, Ann Chase; his sister in law, Bev Montgomery and brother in law, Dale Chase; his nieces, Kate Hammond, Dena Chase, his nephews, Ryan Montgomery and Greg Chase; and is dearest and closest friends, Charlie and Willa Page and many, many other special friends.

He was preceded in death by his father, Jack Montgomery; his mother, Nora Montgomery; his granddaughter, Liliana Deleon, and many aunts and uncles.

Special thanks to all of the people that have called and supported the family during the last seven weeks. We cannot begin to express our gratitude and thanks for all the mental support that was given to our Dad and our family. Dave loved each and every one of you! The family would also like to thank Dr. Norman Zuckerman and the staff at St. Luke’s Mountain States Tumor Institute and the nurses and staff on 4 South at St. Luke’s. David received such tender and loving care during his illness, and we as a family were well taken care of as well.

The family suggests that memorial contributions be made in David’s name to the Junior Golf Association, c/o Dakan Funeral Chapel, 504 S. Kimball Ave., Caldwell, Idaho 83605.

Birth: Oct. 19, 1922

Death: Aug. 2, 2009

Inscription:

Burial:

[Middleton Cemetery](#)

Middleton

Spouse: Eleanor McCluskey

Marriage: August 10, 1951

Spouse: Elizabeth "Betz" Corn Purcell

After a long illness, Dr. J. Lesley Montgomery died August 2 at his home with his family in peace. The family will receive friends at a visitation on Thursday, August 6, 2009 at Dakan Funeral Chapel, Caldwell, from 6:00 p.m. to 8:00 p.m. Funeral services will be held at 10:00 a.m. Friday, August 7, 2009 at the Caldwell United Methodist Church, with inurnment following at the Middleton Cemetery.

Dr. J. Lesley Montgomery was born in Caldwell on October 19, 1926 to parents Velma Lesley and Dr. George W. Montgomery. Les graduated from Caldwell High School in 1940 and the College of Idaho in 1943 with a Bachelor of Science Degree and received his M.D. degree from the University of Oregon

Medical School in 1946; the same school attended by his father. After a surgical residency in Iowa he completed his training at the Lahey Clinic in Boston.

Following the Korean War, where he was stationed at Ankara, Turkey, he returned to Caldwell where he was certified by the American Board of Surgery; later serving as President of the Idaho Chapter of the American College of Surgeons.

He married Eleanor McCluskey on August 10, 1951. They had five children and remained friends after they were later divorced.

Les floated Idaho rivers with Dr. Charles Krause, Dr. Wilbur Waterman, Bill Garber and Dr. Jim Mann and photographed the Big Horn Crags where he never got lost with Dr. Bud Muench leading the way. He fondly recalled many years of handball with Jack Kenneville; hunting with Dr. Bob Jensen; and hiking the Sawtooths with life-long friends Bill Moore, Dr. Charles Krause and Bill Rankin. Each year Dr. Allan "Mac" McClary, an old medical school classmate, flew out from Baltimore to join the group and treat the dreaded diarrhea of the woods, which was also an annual event.

He especially admired musicians and enjoyed a long correspondence with two notables: Meredith Willson and Arthur Fiedler. He met the former during his days in Iowa before Willson wrote "The Music Man" which Les considered the tour de force of innovative American opera when the source of great music moved from the Danube to River City. At the Lahey Clinic, he began a valued friendship with Arthur Fiedler, conductor of the Boston Pops Symphony. He maintained contact with Willson and Fiedler for many years.

Les enjoyed the last 33 years with his wife, Elizabeth "Betz" Corn Purcell and her family. Both of his families assembled each summer at Payette Lake where his delightful granddaughter, Galena Clark, testified the water was never cold.

It was his privilege to practice in the original Caldwell Memorial Hospital when John Hayman was Administrator, Jean Hansen was Director of Nurses and the incomparable operating crew that included June Hunt, Alice Bittick, Joan Truesdale, Dorothy Bassey and Joann Cayler.

Les is survived by his wife, Betz of Caldwell; one son, Michael of Phoenix, AZ; three daughters, Laura (fiancé, Milo) Montgomery of Caldwell and her family, Cameron & Heather, Pete & Lela, Gregg and Geoff & Amanda; Eileen (husband, Earl, Jr.) Swigert of Canby, OR and her family Earl, III & Deanna, Shannon and Bethnay; and Paula (husband, Don) Clark of Cocalalla, ID and her daughter, Galena (favorite); step-sons, Steve (wife, Tammy) Purcell of Caldwell and his family Jason & Phoebe, Alex and Aleta; and Jeff (wife, Nora) of Caldwell and his family, Lynn & Elsy; and cousin, Bill (Karen) Hay.

He was preceded in his death by his parents and one son, Douglas.

R. M. Mudgett, one of Middleton's well known citizens, died last week. His death was not unexpected for he had lingered at death's door during the past week. He had been ill for six years, a sufferer of paralysis.

He was born in Ohio, March 6, 1841. Moved to Iowa with his parents when a small boy. Married Louisa Caster September 14, 1868, and moved to Missouri a few years later. He came to Idaho from Washington about six years ago, settling on a farm near this town. Four years ago he and his devoted wife came to town to reside and have been ever since.

Mr. Mudgett was one of God's noblemen and had the esteem of all who knew him. He leaves, besides a faithful wife, three brothers and one sister. A brother from Spokane will arrive today to assist in the last sad rites, the others being too far away to come. The funeral was held Sunday from the I.O.O.F. hall, being under the direction of the Jones Furniture Co. Interment was made in the Middleton cemetery.

With his family beside him, Troy G. Nation, of Middleton, passed away on May 31, 2012, at the age of 94. He was a good, kind-hearted man who will be lovingly missed by his wife, children, grandchildren and friends.

Troy was born on September 12, 1917 to Parks and Bessie Nation at their home in Headrick, Oklahoma. When he was just starting the fourth grade, his father was killed when their home's oil stove exploded. Troy's education was cut short at that point as he needed to help support the family. When his mother married Robert Barkley in 1928, five step brothers and sisters were added to Troy and his six siblings' family, and then by 1935, four more half-brothers and sisters rounded out the combined family. His young life was not easy, but he did what he needed to do and persevered, just as he did throughout his entire life.

Troy enlisted in the U.S. Army (Calvary) in 1942 during World War II. That was also the year he met Leta M. Stewart of Paso Robles, CA. They were married on February 27, 1943; and for the next 69 years worked hard to have successful, happy, family-oriented lives together.

They raised five daughters; ran successful businesses (Valley Supply in Middleton, Black Canyon Feed and Seed also in Middleton, and the Middle Fork Trading Post in Crouch, ID); built several homes; took their girls on many vacations; and day-in, day-out lived fulfilling lives with their family always included.

Family surviving Troy, include his wife, Leta Nation; five daughters – Joyce Hupe (Bill Wilder), Judy Acree (Jack), Janet Thorne (Carl Adams), Jeanne Rose, Jodi DeSousa (Manny) – ten grandchildren; five great-grandchildren; five great-great-grandchildren; two sisters – Fay Washburn, of Nampa, and Mavis Thompson, of Waldport, OR; and many nieces, nephews and cousins.

Family members preceding him in death include his parents, stepfather, 14 siblings, son-in-law, Mark Hupe, and great-granddaughter, Rebecca Aldrich.

The family would like to suggest that, if you so choose, memorial contributions be made to the Lighthouse Rescue Mission in Nampa, or a charity of your choice.

Also, the family wants to express their gratitude to Heart'n Home Hospice for their caring attention to Troy, with special thanks to Laurie, Mary Lu and Rebecca.

At Troy's request, a private family burial service will be held at the Middleton Cemetery.

CALDWELL, Idaho (AP)— Leo Oswald, 45, and his 17-year-old son, William H. Oswald, were killed Friday afternoon when their light plane crashed in a field about 13 miles north of Caldwell.

Canyon County officials said witnesses told them the aircraft had done a series of stalls and failed to pull out of the last one plunging to the ground.

Robert "Bob" Rayne, 87 of Middleton, passed away Saturday, April 13, 2013 at a Meridian care facility of natural causes.

Graveside services will be held Monday, April 22nd at 2:00 p.m. at Middleton Cemetery under the direction of Dakan Funeral Chapel, Caldwell.

Bob was born October 12, 1925 to Pearl and Ancil Rayne in Caldwell Idaho. He graduated from Middleton High in 1943, and immediately after joined the US Navy during WWII.

In 1948 he married Ella Mae Ashcraft, and they had two sons, Larry and Harland Rayne.

In his younger days, Bob enjoyed rollerskating and flying airplanes. He wanted to become a commercial airline pilot, but wasn't able to since he could not pass the color test. He did however continue to fly small airplanes for fun.

Bob worked for Nishitani Gardens in Caldwell during high school and again after he got out of the service. After various jobs such as driving a bread truck in the valley and owning a service station, he moved to Oregon where he logged for many years for himself and at the Hines Lumber Company in Hines, Oregon.

Eventually he made his way back home to Middleton where he teamed up with his brothers, Tommy and Jerry, and ran the lumber portion of Rayne and Seal Enterprise in Nampa. Middleton became his home with Ruth for the rest of his life.

In 1968, Bob married Ruth Pickering and they had one daughter, Roberta. Later in life he enjoyed gardening, and always loved going for drives. Roberta remembers going for drives almost daily while growing up. Sometimes only to Caldwell, sometimes to Emmett, but they always enjoyed taking the back roads and looking at the scenery.

Bob was preceded in death by his parents, Ancil and Pearl; his son, Larry; sisters, June, Ellen and Shirley; and brothers, Billy, Jerry, Jimmy, and very recently, Tommy.

Bob is survived by his wife, Ruth; son, Harland Rayne; daughter, Roberta Wells; grandson, Darby Rayne; granddaughters, Morgan and Lauren Fisher; siblings, Ardith Tepfer, Ted Rayne, Marilyn (Hittie) Young, Cheryl (Dude) Williams, and Sandy Watson; and numerous nieces and nephews.

Bob loved his family more than anything. He especially had a soft spot in his heart for his granddaughters, Morgan and Lauren. He always enjoyed family functions and visiting people. He always had a smile and a positive outlook on life. He will be missed more than words can express.

William Max Ricks, 76, of Middleton, passed away Tuesday, July 13, 2004, at West Valley Medical Center. Max was born on Aug. 14, 1927, in Logan, Utah, to Allen and Idella Ricks. He farmed with his family until serving in the Army during the War. He married Myrla Kunz of Montpelier on July 9, 1951. They were married eight years and had two daughters, Maxine and Luanne. During this time Max worked as a hod carrier to support his family. He married Mary Elizabeth Fowble Bednorz of Albuquerque, New Mexico, on July 17, 1965, and readily accepted her five children as his own. Max worked the majority of his adult life as a drywall contractor and owned his own business in Caldwell for several years until retirement. Max loved to fish and take long Sunday drives with his family and before becoming ill took every opportunity to do so. He played on a bowling league and was very adept at pool. Gardening was a great love of his and he was generous with his crops, giving away vegetables by the bushels to anyone who needed them. He was an avid fan of sports of all kinds. He was a kind and very loving man whose generosity reached beyond even his large family. We jokingly say that he gave the shirt off his back so many times that he did not have one to wear the last years of his life because he disliked wearing shirts so much.

Max is survived by his wife Mary of Middleton and his children. Debbie Gibson (David) of Nampa, Maxine Brown of Pocatello, Edwin "Butch" Bednorz (Donna) of Caldwell, Luanne Anderson of Nampa, Kathy Ramsey (Tony) of Nampa, David Bednorz, and Vicki Scaggs (Randy) both of Middleton. He leaves behind 15 grandchildren and 14 great-grandchildren. He is also survived by his sister, Lorraine Hawkins and brothers Norman and Reed Ricks. Preceding him in death were his brother, Farrell and his parents, Allen and Idella Ricks.

We remember him as a generous spirit who loved to joke, who loved people, and who loved his family. He will be missed greatly.

Danielle Sundberg, 83, of Middleton, died Friday, Nov. 9, 2007, at a Boise assisted living center.

Our mother, Dannielle Kathryn Sundberg, "Dolly," was born on Feb. 26, 1924, in Highbridge, Iowa. She was the youngest of seven children born to Margaret and Anton Bozich who immigrated from Croatia around 1900. Anton supported the family as a coal miner. The family moved to Madrid, Iowa, near Des Moines when Dannielle was 5. The family made it through the Depression, but like many of her generation, it left its mark in Mom's frugality and continued pleasure over the rare treats of her childhood: oranges, bananas, dates and figs.

She graduated Madrid High School in 1942, worked in a munitions factory until joining the Marine Corps in 1944 and was stationed at Cherry Point, NC. There she worked as a propeller mechanic for fighter planes and played on a slow-pitch softball team.

Her high school sweetheart, Robert M. Sundberg who had followed her into the Marine Corps, was also stationed at Cherry Point, and they married in 1945.

After the war they returned to Madrid and worked on the Sundberg's family farm and had their first son, Dennis, in 1946. In 1950 they struck out for Idaho and homesteaded their own farm north of Middleton, clearing the land, building a home and settling into the demanding life of farmers. Their second son Jeff was born in 1955 and a daughter, Danette, in 1957.

Mom remained on the farm with her son Jeff, after Robert's death in 1984, until health problems forced her to move to assisted living in 2005. Mom was lovingly cared for at Aaronbrook Place in Boise until her death last Friday, Nov. 9, 2007.

As we sorrow for her passing, we remember her wonderful qualities and abilities.

A devout Catholic, she inspired us to reflect on life and its mystery, in her stoicism she modeled tenacity and strength. She was bilingual in English and Croatian, played accordion and harmonica, was a crack marksman and could whistle loud enough to call back the oil truck driver from 2 blocks away after he missed our drive.

She loved to argue religious doctrine and visit with her neighbors. She was generous, helping us all through financial hard times as she could, and made wonderful hungarian goulash and povitica, a croatian walnut bread. We will miss her now and remember her with love and gratitude.

She is survived by her three children, two grandsons, and three great-grandchildren.

Graveside services will be held at 1 p.m. today, Nov. 13, at the Middleton Cemetery.
