

Road Work Ahead

Construction on the State Highway 44
Canal Crossing in Middleton begins
in late September

Construction will occur in stages with traffic remaining on SH-44, but motorists should expect delays. Access to businesses will be maintained. Construction is expected to be completed by late-spring 2019.

State Highway 44 Canal Crossing Project, Middleton, Idaho

ITD will replace the canal crossing at State Highway 44 between 1st Avenue and Dewey Avenue. The existing crossing is deteriorated and needs to be replaced to maintain safety and mobility for Middleton residents and the traveling public.
