## BUILDING OFFICIAL DETERMINATION (BOD#10)

### Site Address

- Issue: What color does a site address need to be?
- Rule: The International Residential Code is silent about color of site address.
- Application: Sites should have appropriate address identification and need to be clearly visible from the street for emergency agency use.
- Determination: Along with the size and font requirements of 2018 IRC 319, Site Address, an address must be a contrasting color to that of the surface they are mounted on, whether trim or wall.
