PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

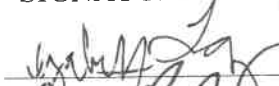

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to authorize liquor by the drink licenses as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.

AMBER M. DAY
COMMISSION #20210257
NOTARY PUBLIC
STATE OF IDAHO

To: The Honorable Chris Yamamoto
The Canyon County Election Commission, 1102 E. Chicago, Caldwell ID 83605
And
The Middleton City Council, Middleton City Hall 1103 W Main St, Middleton, ID 83644

PETITION

In 1947 the registered voters of Middleton voted to keep Middleton a "dry city" meaning, no establishment can sell liquor by the drink. Today, the city is only authorized to license establishments for beer and wine. In order to change the law, a measure must be added to the ballot at a general election. If the ballot measure is approved, the city would be authorized to license establishments such as restaurants, hotels, and bars, to sell to sell liquor by the drink for on-premises consumption.

We, the undersigned **registered, qualified electors** of the City of Middleton, Idaho do hereby petition and demand that a ballot measure be added to the ballot for the general election on November 7, 2023 to **authorize liquor by the drink licenses** as provided by law; and each for himself says: I have personally signed this petition; I am a registered, qualified elector of the City of Middleton, County of Canyon, State of Idaho and my RESIDENCE is correctly written after my name.
