1. This Agreement supersedes all other discussions and verbal or written agreements between the OWNER and ENGINEER except pending task orders already requested and approved by the OWNER, if any.

2. **TERM**

Generally, the term of this Agreement is one year with two, one-year extensions that automatically occur unless this Agreement is terminated. Specifically, this Agreement commences on January 1, 2015 and expires on December 31, 2017, unless terminated earlier. - 4.2 Additional Services. The ENGINEER will not take any action that could cause the amount the OWNER would be obligated to pay the ENGINEER to exceed the amount agreed to in each task order. However, an amount may be increased or decreased from time-to-time through a written addendum to a task order agreed-to by the OWNER and ENGINEER if additional services are required or the scope of work is modified for any reason.

1. This Agreement supersedes all other discussions and verbal or written agreements between the OWNER and SURVEYOR except pending task orders already requested and approved by the OWNER, if any.

2. TERM

Generally, the term of this Agreement is one year with two, one-year extensions that automatically occur unless this Agreement is terminated. Specifically, this Agreement commences on January 1, 2015 and expires on December 31, 2017, unless terminated earlier. OWNER-approved task orders are expected to be completed by the SURVEYOR, even if after December 31, 2017.

3. SCOPE OF SERVICES

During the term of this Agreement, SURVEYOR will furnish surveying services to OWNER as set forth in individual task orders. Individual task orders are separate from this Agreement and from each other.

- 3.1 Task Orders. Each task order will identify the scope, cost and time schedule of the proposed services. Such services will be performed by individuals as employees or independent contractors of the SURVEYOR and not as employees of the OWNER. The SURVEYOR will perform services with due and reasonable diligence consistent with sound professional practices.
- 3.2 Estimates. The SURVEYOR anticipates providing estimated project proposals, bids or construction costs as part of its services, and cannot, therefore does not, guarantee that information or those costs; they are estimates.

- 4.2 Additional Services. The SURVEYOR will not take any action that could cause the amount the OWNER would be obligated to pay the SURVEYOR to exceed the amount agreed to in each task order. However, an amount may be increased or decreased from time-to-time through a written addendum to a task order agreed-to by the OWNER and SURVEYOR if additional services are required or the scope of work is modified for any reason.
- 4.3 Reimbursable Expenses. The OWNER will pay the SURVEYOR only for items specifically agreed upon as reimbursable expenses.
