March 16, 2020

Dear Middleton Residents –

City leadership asks your cooperation and patience as we deal with the COVID-19 virus and its potential effects on our community. To protect city staff and the public, please pay utility bills online or use the drop box at city hall. Until further notice the library and LAB buildings have been closed. The city is no longer accepting reservations for the Trolley Station through April 2020. All other city services continue at this time. Continue practicing distance and personal sanitation practices as you and your family see prudent. The city website and Facebook pages will be updated regularly as needed.

Sincerely,

Mayor Steve Rule.
