PRESS RELEASE: July 7, 2022

In April 2022 an officer brought forward a complaint against the Middleton Police Chief and a fellow officer. Immediately the Mayor and City Administrator assigned this to an independent third-party investigator to perform a complete and impartial investigation.

The investigator presented the information to Mayor and City Council in executive session on June 15 and June 27, 2022. The investigation revealed evidence of multiple policy violations. To be clear, there was no evidence of criminal misconduct. The handling of these policy violations pointed out a leadership failure within the police department. The Chief was afforded an opportunity to address and remedy the violations. The Mayor and City Council decided it was in the best interest of the city to consider removal of the Chief from office. Before the matter was taken up, Chief Alan Takeuchi resigned on July 5, 2022.

Officer Greg Langley resigned his position on June 29, 2022.

The Mayor and City Council wish Alan Takeuchi and Greg Langley the very best going forward. The city desires the department to move forward in a positive direction and will not provide further detail or have further comment on these confidential personnel matters.
