The Middleton Public Works Department is planning to conduct some high flow operational analysis of our water utility on Wednesday, June 15<sup>th</sup>.

Throughout this day, you are likely to see sprinklers operating throughout City parks and possibly some reduced water pressures at your residence.

Thank you for your patience in this effort. Should you have any questions, please reach out to City Hall at 208-535-3133.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Van Gilder". The signature is fluid and cursive, with the first name "Jason" being the most prominent part.
