**Subject:** Idaho 16 Online Public Meeting

Good afternoon!

This email is a reminder that the Idaho Transportation Department launched an online public meeting this week for the **Building Idaho's Future Highway 16 Extension** project. The meeting will be open until June 4. Community members can take a virtual tour of the future highway corridor, learn about the next phase of extending Idaho 16 through the Central Treasure Valley, and give comments.

### **Idaho 16 Online Public Meeting**

Open until Friday, June 4

[ITDprojects.org/Idaho16](http://ITDprojects.org/Idaho16)

*The project team will host live Q&A sessions on June 2 from 12-1 p.m. and June 3 from 5:30-6:30 p.m.*

*Register at [itdprojects.org/idaho16](http://itdprojects.org/idaho16).*

We would be grateful for your help in notifying the community about this meeting. Would you be willing to share information through social media, your website or email lists? A PDF of the invitation is attached, as well as an announcement for Facebook/web/Nextdoor.

Please let me know if you have questions or would like more information. Thank you so much for your help.
