Re: Seal Coating 2022

To All Residents,

The City of Middleton Public Works crew will be sealcoating the following streets in the Middleton Place Subdivision;

**Marjorie Ave
West Harmon
Canyon Drive
Villa Drive
West Cornell**

On Tuesday, June 21, 2022, crews will be sweeping the streets in preparation for the oil. ALL vehicles, trailers, RV's, boats, and basketball hoops need to be off the street from 8:00 a.m. to 3:00 p.m.

On Wednesday, June 22, 2022 crews will be spraying oil. During this time roads will be closed, and traffic will be rerouted. There will be signage and flaggers working in the area to direct traffic.

Due to this work covering the entire road all cars, trailers, RV's, boats, and basketball hoops will need to be off the road each day from 7:00 a.m. to 7:00 p.m. as it is not possible to spray around them.

ANY VEHICLES LEFT ON THE STREET WILL BE TOWED AT THE OWNER'S EXPENSE.

The oil take approximately three (3) hours to cure and twelve (12) hours to cure fully. PLEASE DRIVE SLOWLY.

The City appreciates your patience and cooperation.

For questions, please contact City Hall at (208)585-3133.
