

## Candidate Forum March 8, 2018

Primary Election - May 15, 2018

General Election - November 6, 2018

There are no elections for city officials in 2018. State law schedules elections for mayors and city council members on opposite years as "partisan" elections. Partisan elections require a candidate for state, congressional or county offices to declare whether they are a candidate for the Republican, Libertarian, Democratic or Constitutional party.

The May 15, 2018 Primary Election is to determine which candidate will be on the ballot for each party on November 6, 2018.
