

Middleton City Council

Findings of Facts, Conclusions of Law & Order

In the Matter of the application of Richard Porter and Tradition Capital Partners, LLC for Development Agreement Modification with respect to two parcels totaling 115 acres located at 0 Hwy 44 (Tax Parcels nos. R33938013 and R33938011):

A. Findings of Fact:

1. Hearing Facts: See Staff Report for the hearing date of March 6, 2024, which Report is attached hereto as Exhibit "A" and incorporated herein by this reference.
2. Process Facts: See Staff Report for the hearing date of March 6, 2024, Exhibit "A".
3. Application and Property Facts: See Staff Report for the hearing date of March 6, 2024, Exhibit "A".
4. Required Findings per Idaho State Statute Title 67, Chapter 65, and Middleton City Code 1-14, 1-15, 5-1, 5-2, 5-3 & 5-4: See Staff Report for the hearing date of March 6, 2024, Exhibit "A".

B. Conclusions of Law:

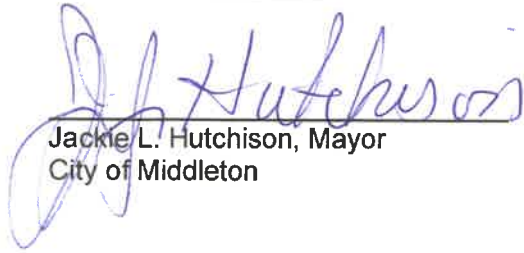

1. That the City of Middleton has exercised the powers conferred upon it by the "Local Land Use Planning Act of 1975," codified at Chapter 65, Title 67, Idaho Code (I.C. §67-6503).
2. That due consideration has been given to the comments received from the governmental subdivisions providing services in the City of Middleton planning jurisdiction, comments received from individuals of the public, and comments from City Planning Staff.
3. That notice of the application and public hearing was given according to law.
4. That City Council's public hearing was conducted according to law, and the City has kept a record of the application and related documents.
5. That codes and standards pertinent to the application are Idaho State Statute Title 67, Chapter 65, and Middleton City Code 1-14, 1-15, 5-1, 5-2, 5-3 & 5-4.

C. Decision & Order:

Pursuant to the City Council's authority as provided in Middleton City Code 1-5-2, and based upon the above Findings of Facts and Conclusions of Law, it is hereby Ordered that:

1. The application of Richard Porter and Tradition Capital Partners, LLC for Development Agreement Modification is approved.

WRITTEN ORDER APPROVED ON: March 20, 2024.

Jackie L. Hutchison, Mayor
City of Middleton

Attest:

Roberta Stewart
Planning and Zoning Official

Please take notice that pursuant to MCC 1-14-2(E)(10), applicant shall have 14 days after a signed final decision to request reconsideration by the final-decision maker. Such request must identify specific deficiencies in the final decision. Failure to request reconsideration may invalidate a subsequent judicial appeal. Additionally, pursuant to Idaho State Statute 67-6521, any affected person aggrieved by a final decision may, within 28 days after all remedies have been exhausted under local ordinances, seek judicial review as provided in chapter 52, Title 67.

Additionally, please take notice that Applicant has a right to request a regulatory taking analysis pursuant to Idaho State Statute section [67-8003](#).

STAFF REVIEW AND REPORT Middleton City Council

River Walk Crossing Subdivision

Development Agreement Modification Application

- A. Project and Application Requests:** The River Walk Crossing Subdivision was approved by City Council in October 2021. It involves 36 commercial lots, 80 patio home lots, and 81 luxury home lots zoned R-2 (minimum lot size 21,780 sf). Most of the R-2 lots back up to shared lakes/ponds. The setbacks for the R-2 homes are 25' on the side and 25' on the front.

Developers have constructed Phase 1, which involves a large hotel site, restaurant site, commercial lots and 33 residential R-2 home lots. Developer obtained final plat approval for Phase 1 in December 2023. Developer is now seeking to obtain building permits for the R-2 residential lots; however, Developer is finding that the large custom style homes are not fitting well on the R-2 lots because of the expansive 25' setbacks on the side and front.

Developer is requesting that the Development Agreement be modified to allow narrower setbacks on the front and sides. Specifically, Developer is requesting the R-2 front setback of 25' be reduced to 20'. Developer also requests that the interior and street side setbacks be reduced from 25' to 10'. Developer is not making any request with respect to the rear setback.

- B. 1st Amendment to Development Agreement:** The Development Agreement for this project was approved by City Council in October 2021. A copy of the recorded Development Agreement is attached as Exhibit "A". Applicant is proposing a 1st Amendment to Development Agreement. It is attached as Exhibit "B". The 1st Amendment to Development Agree adds paragraph 3.27, which states:

***"3.27 Setbacks for R-2 Zone:** The front setback for single family homes located in the R-2 zone shall be a minimum of twenty feet (20'). The interior side setback and street side setback shall be a minimum of ten feet (10')."*

The governing bodies are not required to make specific findings regarding criteria or standards before approving or denying a Modified DA request. Instead, the governing bodies need merely determine if they want to agree to the proposed amendment to the Development Agreement.

- C. Comments Received from Surrounding Landowners:** None.
- D. Comments from Agencies:** Agency comments attached as Exhibit "C".
- E. Comments from City Engineer & Planning Staff:** None.
- F. Applicant Information:** Representative Stephanie Hopkins of KM Engineering. 5725 N. Discovery Way, Boise ID 83713.

H. Applicable Codes and Standards:

Idaho State Statute Title 67, Chapter 65 and Title 50, Chapters 2 and 13, Idaho Standards for Public Works Construction and Middleton Supplement thereto and Middleton City Code 1-14, 1-15, 1-16, 5-1, 5-2, 5-3, and 5-4.

I. Planning & Zoning Recommendation: The planning & zoning commission considered this application at a public hearing held on February 12, 2024. The commission recommended that City Council approve the application for Development Agreement Modification. The Commission did not recommend any conditions of approval.

J. Conclusions and Recommended Conditions of Approval:

City Council must make findings of facts and conclusions of law when making a decision and order on land use application.

As to Findings, none required per Idaho State Code or Middleton City Code.

As to Conclusions of Law, Planning Staff finds that the Council has the authority to hear these applications and to approve or deny the application. Planning Staff further finds that legal notice was given appropriately and according to law. Finally, the pertinent codes and standards have been set forth above.

If the Council is inclined to approve the application, Planning Staff does not have any recommended conditions of approval.

DEVELOPMENT AGREEMENT

This Development Agreement (**Agreement**) is entered into by and between the CITY OF MIDDLETON, a municipal corporation in the State of Idaho (**City**), and TRADITION CAPITAL PARTNERS LLC, an Idaho Limited Liability Company, HESS PROPERTIES LLC, an Idaho Limited Liability Company, WATKINS PROPERTIES LP, an Idaho LIMITED PARTNERSHIP and RICHARD A. PORTER, an individual (hereinafter referred to collectively as "**Owner**").

RECITALS

WHEREAS, Owner owns +/- 129 acres legally described in Exhibit A attached hereto, which real property is commonly referred to in the Canyon County Assessor's records as Parcel Nos. R33938013, R33938011, and R3393800 ("**Property**"); and

WHEREAS, Owner has applied to the City to annex and rezone the Property;
and

WHEREAS, Owner intends to improve the Property according to the Middleton City Code and the City's public works standards at the time(s) the Property is improved; and

WHEREAS, the City, pursuant to Idaho Code §67-6511A, has the authority to conditionally rezone the property and to enter into a development agreement for the purpose of allowing, by agreement, a specific development agreement to proceed in a specific area and for a specific purpose or use which is appropriate in the area, but for which all allowed uses for the requested zoning may not be appropriate pursuant to the Idaho Code and Middleton City Code.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in consideration of the recitals above, which are incorporated below, and the mutual covenants, representations, and

performances herein bargained for, relied on, and expected, the parties agree as follows:

**ARTICLE I
LEGAL AUTHORITY**

This Agreement is made pursuant to and in accordance with the provisions of Idaho Code §67-6511A and Middleton City Code, Title 5, Chapter 2.

**ARTICLE II
ZONING ORDINANCE AMENDMENT**

The City will adopt an ordinance amending the Middleton Zoning Ordinance to rezone the property as follows: property described in Exhibit "B" shall be rezoned from County "Agricultural" to C-3 (Heavy Commercial); property described in Exhibit "C" shall be rezoned from County "Agricultural" to M-U (Mixed Use); and property described as Exhibit "D" shall be rezoned from County "Agricultural" to R-2 (Large Lot Residential). The Ordinance will become effective after it is approved, signed, published and recorded according to law, all of which actions the City will perform with the Developer's cooperation.

**ARTICLE III
CONDITIONS OF DEVELOPMENT**

3.1 **Applications.** Owner will develop the Property subject to the conditions and limitations set forth in this Development Agreement. Further, Owner will submit such applications regarding floodplain development permit review, preliminary plat and final plat reviews, and/or any special use permits, if applicable, and any other applicable applications as may be required by the Middleton City Code, which shall comply with the Middleton City Code, as it exists at the time such applications are made except as otherwise provided within this Development Agreement.

3.2 **Concept Plan.** The Concept Plan attached hereto as Exhibit "E" represents Owner's current concept for completion of the project. Owner shall be bound by this Concept Plan and shall develop the project generally consistent with the Concept Plan. However, as the project evolves, the City understands that certain changes in that concept may occur. If the City determines that any such changes are significant due to potential impacts on surrounding property or the community, City shall require Owner to apply, in compliance with City Code, for a Development Agreement Modification to address the proposed changes to the Concept Plan.

3.3 **M-U Zone and Setbacks.** Only single-family homes may be built in the M-U Zone. Minimum setbacks for said single-family homes shall be twenty (20) feet in the front yard; fifteen (15) feet in the rear yard, five (5) feet in the interior side yard, and twenty (20) feet in any street side yard. Cornices, canopies, and eaves that do not increase the enclosed building area, may project into any setback up to two (2) feet. Unenclosed covered patios and porches may project into the front/rear setbacks up to five (5) feet.

3.4 **Deed Restrictions.** Single-family home lots in the M-U Zone shall be exclusively held for purchase and occupancy by persons who are 55 years or older or to the extent allowed under Idaho State law. All requirements related to the 55+ homebuyer requirement for the homes located in the M-U Zone shall be accomplished by deed restrictions, the same being drafted and applied in compliance with the laws of the State of Idaho.

3.5 **Middleton Road Frontage Improvements.** The portions of Middleton Road that front the Property are slated to be improved through impact fees collected via the 2021/2022 Mid-Star Service Area Capital Improvement Plan. Although off-site frontage improvements are generally required pursuant to Middleton City Code, Owner shall not be responsible for constructing these improvements. If, at a later date, Owner and City agree that Owner should construct all, or a portion of the planned Middleton Road improvements, then City shall credit Owner for any improvement work over and above Owner's proportionate share of the improvement work.

3.6 **Highway 44 Road Frontage Improvements.** Owner shall, at its own cost, improve all City required street frontages on Highway 44. Such improvements must be completed and accepted by the City before final plat approval for Phase 4 (as the phase is shown on the approved preliminary plat).

3.7 **Traffic Pro-rata/Proportionate Share Fees.** Owner shall pay all traffic impact and traffic pro-rata/proportionate share fees required by the City prior to approval of Phase 1 final plat.

3.8 **Completion of E. Sawtooth Lakes Street.** Final plat for Phase 3 shall not be approved until a second access is constructed for the project. Owner may develop Phases 1 and 2 entirely without constructing a 2nd access that connects to Duff Lane, Middleton Road, Highway 44 or Boise Street. Owner agrees to enter into, and record, an agreement with the owner of the adjacent River Pointe Subdivision to complete, in the event that the River Pointe Subdivision is not developed, the portions of E. Sawtooth Lakes Street and/or Yetna Avenue located on the River Pointe Subdivision parcel to ensure access to either Duff Lane or Hwy 44. Final Plat for Phase 1 shall not be approved until Owner provides City with a copy of the recorded agreement between Owner and the River Pointe owner.

3.9 East/West Collector. Developer shall provide an east/west collector that connects to the subdivision to the east and provides access to Duff Lane. Parking shall not be allowed on this collector, and signs to that effect must be posted. No driveway access shall be allowed on the collector.

3.10 Pathways. The 10' wide asphalt pathways along the Kennedy Lateral shall be open for public use. Owner shall ensure that a public use easement is shown on the preliminary plat and final plat or otherwise created by a recorded instrument.

If the City so requires, Owner agrees to construct the pathways along the Kennedy Lateral below the embankment and nearer to the water level.

Owner shall improve and construct said pathways and obtain a license/easement from the pertinent Irrigation District(s) prior to approval of final plat for Phase 3 as the phase is shown on the approved preliminary plat. Owner and/or its successors and assigns are responsible for maintaining and repairing the portions of the pathway located within the Property.

3.11 Extraction of Gravel. Owner shall have the right to excavate the ponds as shown on the preliminary plat. Any extraction shall be in compliance with the following conditions:

1. Comply with all submittal requirements of MCC 1-15-16-2 "Submittal Requirements for Mining Applications" and submit (1) a site plan with phasing plan, (2) an "operations plan", (3) SWPPP (4) traffic plan (on site and off site) and (5) reclamation plan before submittal to other agencies.
2. Obtain a NOI prior to permit approval and beginning excavation.
3. Obtain Water Rights permit for ponds to remain on site and provide the City with a copy of the water right/permit.
4. Construction hours shall be Monday through Saturday 7 a.m. to 6 p.m. Once the first home is occupied in Phase 1, excavation in Phase 2 may only occur Monday through Friday 7 a.m. to 6 p.m.
5. Obtain all permits from Army Corp of Engineers and/or Idaho Department of Water Resources related to FEMA Special Flood Hazard Areas.
6. Access shall be via No. Middleton Road.
7. Comply with all mitigation and other standards of the City Code, particularly MCC 1-15-16-3 Standards for Mineral Extraction and Nuisance standards of MCC 8-1.
8. Excavation of ponds may occur until September 1, 2027, although this time-period may be extended for 1 additional year upon written request to the Planning & Zoning Official. Before final plat can be approved for any phase, the pond in that particular phase must be completed and filled and all excess materials must be removed from the phase.

3.12 Cell Phone Tower Facility. A cell tower facility has existed on the Property for a number of years. The cell tower facility may continue in its current location and at its present capacity. In the event the cell tower facility use is intensified or substantially changed, Owner shall apply per the requirements of the City Code for a special use permit to change the wireless communication activity. In the event Owner transfers the ownership of the property where the cell tower is currently located, Owner will ensure that the transfer documents include the requirements of this Development Agreement.

3.13 Landscape Buffer. Owner is not subject to the landscape buffer requirement of Middleton City Code 5-4-10-7(A) for all areas where a residential lot does not directly abut with a commercial lot but are located on the same street or similar proximity. Instead, Owner shall construct a landscape buffer at least 15' wide, and the landscaping may or may not include berming and/or fencing. The 15' wide buffer shall be required along all streets that are shared with both a commercial use and a residential use. The 15' wide buffer must be located entirely on one side of the street. It cannot be split between each side of the street.

At locations where a commercial lot directly abuts a residential lot, the landscape buffer requirement found in MCC 5-4-10-7(A) shall apply.

3.14 Wrought Iron Fencing. Only black wrought iron fencing shall be allowed in the project. This includes the perimeter fence required by MCC 5-4-11-2. The perimeter fence may be less than the six (6) foot height prescribed in MCC 5-4-11-2, but the fence height must be a minimum height of four (4) feet. These fencing requirements do not apply to any privacy walls constructed around patios or near the building structure.

3.15 Design Requirements for Commercial Structures/Uses. Because all commercial buildings will be accessed off internal roads, the rear and street sides of the structures will face the frontage of Middleton Road and Hwy 44. To prevent unsightly elevations fronting the roadway, the rear and street side elevations of all commercial buildings shall have enhanced exterior elevations that shall include at least three (3) different design elements or architectural features. Specifically, said elevations shall have a combination of stucco, wood/cement siding, board & batt, modern metal siding, synthetic stone/brick, and/or other accent such as wood beams, metal pop-outs, awnings, inset panels or similar accents.

3.16 Signage. Owner may exceed the one wall sign limit found in the Middleton City Code and may be permitted signs on both the rear elevation and front elevation of a commercial building that has its rear elevation fronting Highway 44 or Middleton Road.

3.17 CC&Rs. The conditions, covenants and restrictions for the Property shall contain at least the following:

- a) An allocation of responsibility for repair and maintenance of all community and privately owned landscaping, pressurized irrigation facilities, and amenities. Owner shall provide an operation and maintenance manual including the funding mechanism as an addendum to the CC&Rs and the repair and maintenance requirement shall run with the land and that the requirement cannot be modified and that the homeowner's association or other entity cannot be dissolved without the express consent of the City.
- b) A requirement that in the event any of the CC&Rs are less restrictive than any government rules, regulations or ordinances, then the more restrictive government rule, regulation or ordinances shall apply. The CC&Rs are subject to all rules, regulations, laws and ordinances of all applicable government bodies. In the event a governmental rule, regulation, law or ordinance would render a part of the CC&Rs unlawful, then in such event that portion shall be deemed to be amended to comply with the applicable rule, regulation, law or ordinance.

3.18 **Floodplain.** Owner shall comply with all applicable provisions of Title 4, Chapter 3 Flood Control Regulations and Title 5, Chapter 4, Section 13, Subsection 2, Subdivision Within Floodplain, of the Middleton City Code.

3.19 **Floodway.** All buildings shall be setback a minimum of 50 -feet from the floodway line as identified In Title 4, Chapter 3, Section 7, Subsection 5 Specific Standards of Middleton City Code.

3.20 **Administrative Application for C-3 Zone Changes.** In light of the large commercial component of this project and the need for commercial flexibility, Owner shall be allowed some flexibility with respect to the phasing and lot line configurations of the C-3 portion of the project. Specifically, Owner shall be allowed to pay a fee of \$1000 and make an administrative application to the City Planning & Zoning Official to change the phasing boundaries and/or number of phases in the C-3 Zone. Additionally, the administrative request may apply to alter lot lines to decrease or increase the number of commercial lots and make minor or insignificant reconfigurations of roadway and/or utilities within the affected Phase. If the Planning & Zoning Official deems the changes to lot lines, roadways, and utilities too significant, Owner must utilize the Amended Preliminary Plat process found in the Middleton City Code.

3.21 **Centerline Radius.** Owner shall be allowed a roadway minimum centerline radius of ninety (90) feet.

3.22 **Final Plat Deadline & Termination of Agreement.** Owner shall obtain City Engineer's signature on the final plat for Phase 1 within two years of the date the preliminary plat is approved. Upon written request prior to the expiration of

said two year period, Owner may apply administratively with a written request for a one year extension to obtain City Engineer's signature on the final plat for Phase 1. Notwithstanding the provisions in Article IV, if Owner does not obtain the City Engineer's signature on the final plat for Phase 1 within two years of the date the preliminary plat is approved or within the time-period of a one year extension, then Owner will be in material breach of this Agreement. Additionally, the preliminary plat shall become null and void. The City, after complying with the notice and hearing requirements contained in the Middleton City Code and Idaho Code, may then choose to extend, modify, or terminate this Agreement. The City may initiate the foregoing proceedings and may do so at any time following a material breach hereof. Termination of this Agreement shall not affect the zoning that is in place at the time of the termination, and the zoning for the Property shall remain the same. No delay in initiating proceedings to extend, modify, or terminate this Agreement following a material beach by Owner shall constitute a waiver of said breach.

3.23 Two Year intervals for Final Plat. Other than phase 1 final plat dealt with in Paragraph 3.22 above, Owner shall submit a final plat application on each phase within two years of final plat approval on the previous phase. Upon written request prior to the expiration of said two year period, Owner may apply administratively with a written request for a one year extension to submit a final plat application. If Owner does not timely apply for a one year extension or does not subsequently submit the final plat application within the requested one year extension time period, then the preliminary plat for said phase and all subsequent phases shall become null and void, and Owner must resubmit the preliminary plat for said phases in order to continue to develop the Property.

3.24 Easement for Land-locked Parcels. Per MCC 5-3-1(A), all lots in a subdivision must front public right of way. Developer shall be entitled to a waiver of this code section with respect to Lots 18-22, Block 1 (northwest corner of the pre-plat immediately north of the Kennedy Drain). Instead, Developer shall create a 20' wide cross-access easement to give access to the parcels.

3.25 Public Easement on River Access Common Lot: Developer shall create a public access easement over the entirety of the common lot shown as Lot 22, Block 6 on the Preliminary Plat for the purpose of granting public access to the Boise River. The lot shall be paved with asphalt or compacted gravel to permit easy access by the public and vehicles. Developer and/or Homeowners Association shall be responsible for constructing the drop-off zone and maintaining it thereafter.

3.26 Community Amenity: As part of a community amenity, Developer shall construct the court amenity (or amenity(ies) that is deemed matching or better) as shown on Lot 31/Block 4 of the Preliminary Plat.

**ARTICLE IV
FAILURE TO COMPLY WITH AGREEMENT**

4.1 If the Developer fails to comply with any of the terms or conditions in this Agreement, then the portion(s) of this Agreement pertaining to the breach may be modified or terminated by the Middleton City Council, after complying with the notice and hearing requirement contained in Middleton City Code and Idaho Code.

If after a breach, the City Council determines that the terms of this Agreement applicable to the breach should be modified, the term(s) of this Agreement shall be amended and the Developer shall comply with the amended terms.

Any breach waived by the City shall apply solely to the breach waived and shall not bar any other rights or remedies of the City or apply to any subsequent breach of any such or other covenants and conditions.

4.2 If after a breach, the City Council determines that the zoning should be changed to another zone, or as otherwise provided in the Idaho Code, then the Developer hereby consents to such change or other authorized action and will cease uses not allowed or permitted within the changed zone.

4.3 Upon a breach of this Agreement, any of the parties in any court of competent jurisdiction, by action or proceeding at law or in equity, may secure the specific performance of the covenants and agreements herein contained, may be awarded damages for failure of performance of both, or may obtain rescission, disconnection, and damages for repudiation or material failure of performance.

4.4 NOTICE OF FAILED PERFORMANCE. Upon any failure of any party to this Agreement to perform its obligations under this Agreement, the party claiming such failure shall notify, in writing, the party alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance has commenced to the satisfaction of the complaining party with thirty (30) days of the receipt of such notice.

**ARTICLE V
GENERAL PROVISIONS**

5.1 This Agreement contains the entire agreement of the parties respecting the Property and supersedes all prior discussions, and written and verbal agreements between the parties respecting the Property.

5.2 Any amendment or addendum to this Agreement shall be in writing and made only after the City has complied with the notice and hearing provisions of Idaho Code §67-6509 and Middleton City Code Title 5, Chapter 2.

5.3 Any notice that a party may desire to give to another party must be in writing and may be given by personal delivery, by mailing the same registered or certified mail with a return receipt requested, or by Federal Express or other reputable overnight delivery service. Notice shall be given to the parties at the following addresses or such other address and to such other persons as the parties may designate after giving notice. Any such notice shall be deemed given upon delivery if by personal delivery, upon deposit in the United States mail if sent by mail pursuant to the forgoing:

Developer: Tradition Capital Partners LLC
8454 Brookhaven PL
Middleton, ID 83644

Hess Properties, LLC
15031 Spyglass Lane
Caldwell ID 83607

5.4 If either party shall fail to perform under this Agreement and said failure is cured with the assistance of an attorney for the other party, as a part of curing said failure, the reasonable attorneys' fees incurred by the other party shall be reimbursed to the other party upon demand. In the event a suit or action is filed by either party against the other to interpret or enforce this Agreement, the unsuccessful party to such litigation agrees to pay to the prevailing party all costs and expenses, including reasonable attorneys' fees incurred therein, including the same with respect to an appeal.

5.5 The Agreement shall be effective after being fully executed. This Agreement shall become valid and binding only upon its approval by the City Council and execution of the Mayor and City Clerk. After its execution, the Agreement shall be recorded in the office of the County Recorder at the expense of the Developer.

5.6 Each commitment and restriction described in this Agreement shall be a burden on the Property and run with the land, and shall be appurtenant to and for the benefit of the Property, adjacent property and other residential land near the Property.

This Agreement shall be binding on the City and Developer, and their respective heirs, administrators, executors, agents, legal representatives, successors and assigns. Provided, however, that if all or any portion of the Property is divided, then each owner of a legal lot shall only be responsible for duties and obligations or breaches as to their owners' parcels or lots.

The new owner of the Property or any portion thereof (including, without limitation, any owner who acquires its interest by foreclosure, trustee's sale or otherwise) shall be liable for all commitments and other obligations arising under this Agreement with respect only to such owner's lot or parcel.

5.7 The Property that is the subject of this Agreement is located in Canyon County, Idaho and the terms of this Agreement shall be construed according to the laws of the State of Idaho in effect at this time this Agreement is executed. Any action brought in connection with this Agreement shall be brought in a court of competent jurisdiction located in Canyon County, Idaho.

5.8 If any term, provision, commitment or restriction of this Agreement or the application thereof to any party or circumstance shall to any extent be held invalid or unenforceable, the remainder of this instrument shall remain in full force and effect.

5.9 Time is of the essence for performance of each obligation in this Agreement.

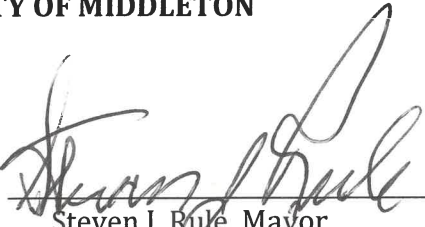

IN WITNESS WHEREOF, the parties have hereunto caused this Agreement to be executed, on the day and year first above written.

Dated this 21st day of June, 2023 and effective upon annexation of the Property.

Proposed 1st Amendment to DA

After Recording, mail to
Middleton City Administrator
1103 W. Main St.
Middleton, ID 83644

**FIRST AMENDMENT TO DEVELOPMENT AGREEMENT
(River Walk Crossing Subdivision)**

This First Amendment to Development Agreement (“First Amendment”) is made and entered into this ___ day of _____, 20__ by and between the CITY OF MIDDLETON, a municipal corporation in the State of Idaho (**City**); and TRADITION CAPITAL PARTNERS LLC, an Idaho Limited Liability Company, HESS PROPERTIES LLC, an Idaho Limited Liability Company, WATKINS PROPERTIES LP, an Idaho Limited Partnership and RICHARD A. PORTER, an individual (hereinafter referred to collectively as “**Owner**”).

RECITALS

WHEREAS, Owner owns approximately 115 acres of real property located at 0 Hwy 44 (Tax Parcel Nos. R33938013 and R33938011), Middleton, Canyon County, Idaho, legally described in Exhibit A attached hereto and incorporated herein by this reference (**Property**); and

WHEREAS, Developer submitted applications for Annexation/Rezone, Development Agreement, and Preliminary Plat for the River Walk Crossing Subdivision (**Project**), which applications were approved by the Middleton City Council following a public hearing on October 6, 2021.

WHEREAS, the Development Agreement was fully-executed and recorded in the records of Canyon County Recorder’s Office as Instrument #2023-019842.

WHEREAS, Developer has submitted an application for Development Agreement Modification, thereby seeking approval of this First Amendment to Development Agreement.

**ARTICLE I
LEGAL AUTHORITY**

This Agreement is made pursuant to and in accordance with the provisions of Idaho Code §67-6511A and Middleton City Code, Title 5, Chapter 2.

**ARTICLE II
AGREEMENT**

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in consideration of the recitals above, which are incorporated below, and the mutual covenants, representations, and performances herein bargained for, relied on, and expected, the parties hereby agree as follows:

1. *Article III Conditions of Development* shall be amended to add Paragraph 3.27 as follows:

***“3.27 Setbacks for R-2 Zone:** The front setback for single family homes located in the R-2 zone shall be a minimum of twenty feet (20’). The interior side setback and street side setback shall be a minimum of ten feet (10’).”*

2. **City Council Adoption.** The Middleton City Council hereby adopts this First Amendment to Development Agreement pursuant to Middleton City Code 5-2-5.
3. **Effect of Amendment.** In the event of a conflict between the Development Agreement and this First Amendment thereto, the terms of this First Amendment shall govern. The terms of the Development Agreement, as modified by this First Amendment, shall continue in full force and effect.

IN WITNESS WHEREOF, the parties have hereunto caused this Agreement to be executed on the day and year first above written.

Roberta,

The Middleton Rural Fire District does not oppose the applicants request to DA modification subject to compliance with all the following code requirements and conditions of approval.

Conditions of approval:

1. Interior side setback for the R2 designated area in this development shall be a minimum of 10-feet.
2. Front setback for the R2 designated area in this development shall be a minimum of 20-feet.
3. Fire Flow - The fire-flow calculation area shall be the total floor area of all floor levels within the exterior walls and under the horizontal projections of the roof of a building.
 - a. Based on VB construction type the total SQ FT shall not exceed 4,800.
 - b. It shall be the developers or builders responsible to check with the fire district to verify fire flows as the development progresses and infrastructure is improved with the City of Middleton.

If you have any questions, please let me know.
