RE: CITY OF MIDDLETON – PLACE PARK LIFT STATION UPGRADES

Dear Mayor Hutchison and City Council,

The City of Middleton received seven (7) bids at the bid opening held on January 28, 2025 for the above referenced project. As City Engineer, I recommend the contract for the CITY OF MIDDLETON – PLACE PARK LIFT STATION UPGRADES project be awarded to **AME Electric Inc**, for the contract bid amount of \$114,799.74.

It is noted that AME Electric Inc failed to acknowledge receipt of Addendum 2 in their proposal. The City Engineer and Public Works Director have reviewed this fact and determined it to be an informality not involving price, time, or changes in the Work. The AME Electric Inc bid is considered to be responsive.

If you have any questions, or need additional information, I can be reached at 453.2028.

Respectfully submitted,
Civil Dynamics, PC
