Trash Guidelines

- » Trash and recycling must be set out by 7am with the lids closed. Place carts 3ft. from other carts and objects (fire hydrants, mailboxes, cars, utility poles) with the handle towards the house. Make sure carts are in a safe and accessible location with 14' of overhead clearance. Do not block sidewalks. All containers must be removed from curbside within 24 hours.
- » Bag trash to prevent blowing during service.
- » All residents will receive a 95-gallon trash cart for automated pick-up. Additional trash carts are available for an extra monthly fee.
- » Use the right container: fill the cart first, and then place additional trash in extra trash cans. Residents are permitted to use wheeled carts and trash cans with lids. Do not overload containers or pack so tightly that contents are difficult to remove. Loose trash bags and boxes will not be collected.
- » Weight limits: 95 gallon carts – 200 lbs; Trash cans – 60 lbs, max 35 gallons.
- » Place used motor oil in clear 1 gallon jugs visible to the driver on trash day. Up to 2 gallons per week will be accepted.
- » No tires, liquids, hazardous waste, or vehicle batteries allowed in trash cart. See section on HHW for more information.

Bulky Waste & Appliances

- » Republic Services provides appliance, furniture and other large item collection for an additional fee. Bulky items must be outside and visible to the driver. To arrange for a special pick-up call (208) 466-3302.
- » Free pick-up of bulky items and non-Freon appliances is available every year during Spring Clean Up Week in April. Refer to the annual service calendar for specific dates. You must call ahead to schedule bulky waste service.
- » Annual free trash day at the landfill is the 4th Saturday in April.
